Fira Gran Via Exhibition Center

Visit us at booth #1-125

We invite you to join us, for FREE!

To ask us for your invitation, click on the button below

Yes, I'd like an invitation

We're also one of the speakers!

Sustainable Olympic Cauldron in the Sky

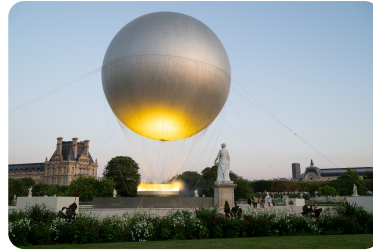

By [Jérôme Giacomoni](#), President Aerophile Groupe

 Tuesday 23 Sept 2025, 15:40 to 16:00

 Innovation stage

Discover how an age-old Olympic tradition with sustainability at its core has been reimagined. In this 20-minute EduTalk, explore the creation of the Paris

2024 Olympic cauldron, where EDF, Aerophile and the designer Matthieu Lehanneur replaced the traditional gas-burning flame with a tethered helium balloon carrying an electrically illuminated 'flame' – eliminating combustion and CO₂ emissions. This presentation will reveal how innovation, engineering, and environmental responsibility merged, setting a new standard for sustainable celebrations worldwide.

📍 Fira Barcelona Gran Via Exhibition Center, Av. Joan Carles I,
64 08908 L'Hospitalet de Llobregat, Barcelona, Spain.

IAAPA Expo is the leading event for the attractions industry in Europe.

IAAPA Expo est l'événement phare de l'industrie des attractions en Europe.

**Discover the latest balloons installed since we met at IAAPA Expo Europe
in Amsterdam in September 2024.**
