

CHARTER FOR DATA PROTECTION

PREAMBLE

The AEROGROUPE SAS Group (hereinafter referred to as "AEROGROUPE SAS"), with share capital of 53,820 euros, including AEROPHILE SAS, as well as all of its subsidiaries within the meaning of Article L 233-1 of the Code of Commerce, existing and future, is the publisher of content, products and services available on different print and digital media including applications, newsletters, websites, social platforms, and any other existing support (hereinafter referred to as "the Services").

AEROGROUPE SAS places great importance on the protection of the personal data of its customers, the users of its websites and its mobile applications, its partners and its employees.

This charter (hereinafter "the Charter") presents the commitments of AEROGROUPE SAS for the protection of the Personal Data of the Net surfers visiting this site or the present application (hereinafter referred to as "the Site") and the users of the Services. It also informs you of the procedures for collecting and using your Personal Data and the options you have in this regard.

It may be modified at any time by AEROGROUPE SAS, according to the modifications made, in particular to comply with any regulatory, jurisprudential, editorial and / or technical changes.

You are advised to refer before any navigation to the latest version of the Charter accessible on our Services.

AEROGROUPE SAS complies with the General Regulation on Data Protection, n ° 2016/679 of 27 April 2016, the law "Informatique & Libertés" n ° 78-17 of 6 January 1978 modified, as well as the law "for the confidence in the Digital Economy" n ° 2004-575 of June 21, 2004 (article L. 34-5 of the Code of the posts and electronic communications).

AEROGROUPE SAS has set up an email address dedicated to: right to information, right of access, rectification, opposition, deletion, limitation and portability that you have in accordance with the said law (mail: [dpo @ aerophile.com](mailto:dpo@erophile.com)).

The Charter applies in addition to the provisions of the General Conditions of Use of the Services and the General Conditions of Sale of the Services, where they exist.

ARTICLE 1: WHAT IS THE IDENTITY OF THE TREATMENT MANAGER?

The data controller is AEROGROUPE SAS, SAS with a capital of € 53,820, registered in the Paris Trade and Companies Register under No. 429,195,431, and taxed under No. FR60,429,195,431, whose head office is located at 106. Avenue Felix Faure 75015 PARIS.

ARTICLE 2 - WHY ARE PERSONAL DATA CONCERNING YOU COLLECTED BY AEROGROUPE SAS?

AEROGROUPE SAS may collect and process declarative data, behavioral data from its customers, prospects and users of the website and interaction data with them (hereinafter taken as a whole "Personal Data")

These Personal Data in the context of the use of the Site and the Services are the subject of treatments for the following purposes:

- When you subscribe to our newsletters or marketing communications;
- When you participate in the games and competitions we organize;
- When you respond to surveys we organize or agree to participate in events we invite you to;
- When we collect data in order to send you targeted advertising;
- When we perform statistical studies and audience measurement of our websites.

AEROGROUPE SAS only collects the relevant, relevant and limited data that is necessary for the purposes for which they are processed.

These objectives are specific and legitimate and in no case will your data be further processed in a manner incompatible with these purposes, unless you obtain your prior consent.

ARTICLE 3 - WHAT ARE THE PERSONAL DATA COLLECTED BY AEROGROUPE SAS?

3.1. Behavioral Data: AEROGROUPE SAS may also collect your browsing data using data collection tools: cookies, tags, tags, and any other appropriate technical means installed on the Services (hereinafter taken as a whole called the "Tools").

The Tools are necessary to enable you to benefit from certain features of our Services. If you choose to disable the Tools via your internet browser, access to the Services may be impaired or impossible. We advise you to leave them active to take full advantage of our services and your navigation on our sites.

The Tools allow, during each of your visits, and for the purposes determined in article 2:

- to carry out statistical studies,
- to identify you,
- More generally, to study your behavior during your navigation on the Site in order to offer you a better experience of navigation and use of our Services.

3.2. Interaction data: In addition, AEROGROUPE SAS may be required to process interaction data between you and our company: opening or linking of the newsletters we send, clicks on the links in the newsletters we send. This information allows us to adapt the exchanges we have with you.

ARTICLE 4 - WHAT ARE THE ADDRESSEES OF PERSONAL DATA?

Personal Data is intended for AEROGROUPE SAS and its subsidiaries.

Your declarative data may also be transmitted to the service providers commissioned by AEROGROUPE SAS to ensure the effectiveness of the Services you have ordered, for example to order tickets. These providers are signatories of the standard contractual clauses validated by the European Commission.

In accordance with the regulations in force, the declarative data may be transmitted to the competent authorities upon request.

ARTICLE 5 - WHAT IS THE PERIOD OF CONSERVATION OF PERSONAL DATA?

Depending on the purpose of the processing, the retention period of the Personal Data may vary.

Unless otherwise required by law, AEROGROUPE SAS retains the Personal Data for the time necessary to achieve the intended purpose.

The Personal Data will be kept for the period during which you use our services, and deleted no later than three years from our last contact, except anonymisation or legal obligation to retain certain data for a longer period.

The analytical data of connection to the Site will be kept only for a duration of thirteen months.

ARTICLE 6 - WHAT IS AEROGROUPE SAS'S POLICY REGARDING COOKIES AND IDENTIFICATION TECHNOLOGIES SIMILAR?

AEROGROUPE SAS uses cookies and similar identification technologies.

A cookie is a small data file copied to your computer's hard drive by a website. It records information relating to the navigation of your computer on a site (such as for example the

pages visited or the dates and times of consultation), which may be read during your subsequent visits to the Site. AEROGROUPE SAS may send cookies when you visit its Sites or when you register to access an Online Service.

The cookies set up on our Sites are of several types and serve different purposes:

- Navigation cookies, which facilitate the navigation on the Site or which are necessary for the provision of the Services you order: cookies "shopping cart", session cookies, or flash cookies to operate a reader media when necessary;
- Audience measurement cookies, which allow us to obtain anonymous attendance statistics. AEROGROUPE SAS uses these cookies to detect navigation problems that may arise on the Site, improve performance and functionality, or improve the Services;
- Behavioral analysis cookies, which collect behavioral data. This data allows us, for example, to know if you have been to the Site before, help us identify what information on the Site might be of most interest to you, and help improve your navigation and make it more interesting. For this we keep track of your preferences when you visit a particular site. They may also allow AEROGROUPE SAS and its subsidiaries to post communications corresponding to your areas of interest.

Cookies allow us to personalize your media content and ads, provide social media features, and analyze our traffic.

The validity period of the consent given in this context is thirteen months.

You can refuse or accept selectively the installation of behavioral analysis cookies, geolocation and / or audience measurement cookies and / or the installation of cookies by the subsidiaries of AEROGROUPE SAS by configuring your Internet browser used from your Terminal. Access to certain offers and sections offered by the Services may be altered or impossible. You are invited to consult the CNIL website at the following address: <https://www.cnil.fr/> or consult the help and documentation of your Internet browser.

You can restrict the use of cookies by changing the setting of your browser:

Under Internet Explorer:

Click Tools at the top of the browser window and select Internet Options> In the options window, click the Privacy tab> To enable cookies, move the cursor to Medium or a lower setting> To disable cookies , place the cursor at the top to block all cookies.

In Firefox:

Click on Tools in the browser menu and select Options> Select the privacy pane> To enable cookies, select Accept cookies from the Site> To disable cookies, deselect the Accept cookies from the Site check box.

Under Chrome:

Click the wrench icon on the browser toolbar> Select Settings> Click Show advanced settings> In the Privacy section, click the Content settings button> To enable cookies ,

select Allow local data storage in the Cookies section. Proprietary cookies and third-party cookies are then allowed. To only accept proprietary cookies, select Block all third-party cookies without exception> To disable cookies, select Prohibit all sites from storing data in the Cookies section.

Under Safari:

If necessary, open Safari> Choose Safari> Preferences, then click on Confidentiality> In the Block cookies section, indicate whether Safari should accept cookies from the Site and under what circumstances> For an explanation of each option, click Details> To find out which websites store cookies on your computer, click Details.

For other browsers and mobile devices:

If you want to restrict the use of cookies for another browser or on a mobile device, go to the official web page of the browser or the device manufacturer or consult the documentation they have provided to you, then follow the instructions.

AEROGROUPE SAS may use other identification technologies than cookies that fulfill the same role mentioned above and in mobile environments where they do not work. These solutions can be SDK (Software Development Kit) or Local Storage or any other suitable solution.

ARTICLE 7 - WHAT ARE YOUR RIGHTS AND HOW TO EXERCISE THEM?

You have, subject to the limits provided for by the regulations in force, several rights with respect to the processing of your Personal Data:

- the right to be informed about the use of your Personal Data,
- the right to request that AEROGROUPE SAS deletes your Personal Data or that it stops processing them in certain circumstances,
- the right to withdraw your consent to receive information from us and oppose the processing of your data,
- the right to define guidelines regarding the fate of your Personal Data after your death,
- the right to complain to the national authority in charge of personal data protection (in France, it is the National Commission for Data Processing and Freedoms, the CNIL).

To stop receiving messages from AEROGROUPE SAS, you can also click on the unsubscribe link in each of our messages.

For any questions or to exercise your rights, simply send an e-mail or a letter to the following address:

dpo@aerophile.com

AEROGROUPE SAS

Subject: To the kind attention of the Data Protection Officer

106 avenue Felix Faure 75015 PARIS

When you wish to exercise a right, your requests must be submitted in writing and must be signed and accompanied by a photocopy of an identity document bearing your signature. The request must specify the address to which the answer must be sent. AEROGROUPE SAS will have a period of 1 (one) month to respond to the receipt of your request. This period may be extended by two months, given the complexity and the number of requests addressed to AEROGROUPE SAS. In this case, we will inform you of this extension and the reasons justifying it.

ARTICLE 8 - WHAT IS THE USE OF MY DATA THROUGH SOCIAL NETWORKS?

You can join our Instagram accounts, Twitter, our Facebook page, from our Site and thanks to them, follow our news. The only data that AEROGROUPE SAS is likely to collect are anonymous and processed for purely statistical purposes (in particular to track the number of subscribers who follow these accounts).

AEROGROUPE SAS is not responsible for the processing of Personal Data by these social networks. In order to know your rights with respect to these social networks and to configure the options in order to protect your confidentiality, it is advisable to consult the confidentiality policy of each one of them:

- Instagram Privacy Policy: accessible [here](#)
- Facebook Privacy Policy: accessible [here](#)
- Twitter Privacy Policy: accessible [here](#)

Sign in with your Facebook or Twitter account: you have the possibility to connect to some of our sites or our applications with your Facebook or Twitter account. When you connect to our sites with your Facebook or twitter account, AEROGROUPE SAS may be required to access certain information that you have transmitted to these social networks. Permission to access your profile data and share your activities with Facebook and Twitter will be required and you will be informed of the data used and how it will be used and shared. However, any additional information that we may ask you will not be transmitted to Facebook or Twitter.
